

Citrus Wedges

By Patti Carey of Patti's Patchwork
for *Quilt Block Mania* November 2021

Finished Size: 12" square

Skill level: Confident beginner

Fabrics used: Northcott's *Toscana* suede-look cotton and *Canvas* texture, and Patrick Lose's *Glam* texture

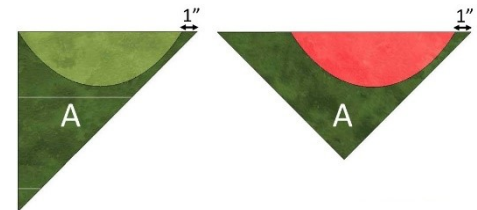

Fabric	Cutting Instructions
A –background - hemlock (#9020-781)	◇ Cut (4) 6 $\frac{1}{8}$ " squares; cut once diagonally \square (A)
B – 4 to 8 citrus-colored scraps	◇ Cut a total of 8 pieces using slice template on page 2.

Piecing: All seams are $\frac{1}{4}$ " unless noted.

1. Press under $\frac{1}{4}$ " on the curved edge of each Fabric B "slice".

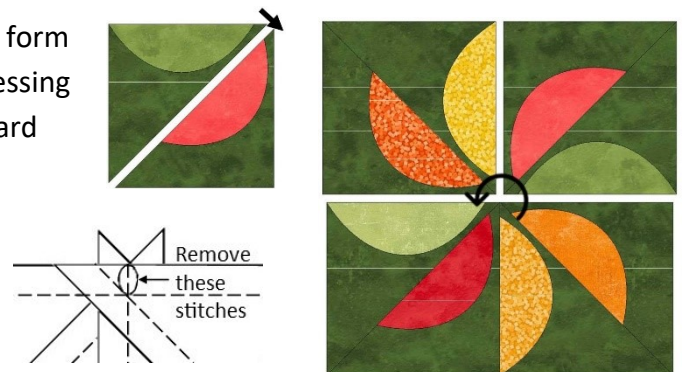

Tip: I make a template without seam allowance using template plastic. I center the template on each slice and, using spray starch, press under along edge of template with an iron.

2. Lay a slice along one short edge of (4) Fabric A triangles as shown, aligning raw edges and positioning it 1" from the angled corner. Invisibly hand- or machine-applique in place along curved edge.

3. Lay a slice along long edge of remaining Fabric A triangles, aligning it 1" from right corner. Invisibly hand- or machine-applique in place along curved edge.

4. Arrange the Fabric A triangles as shown; sew into pairs to form squares, pressing seam toward slice. Sew pairs together, pressing toward slice, then sew top row to bottom row, pressing toward slices. Spin seams at center to reduce bulk.
