General Piecing: All seams are ¼" unless noted. Press seams in direction indicated.

1. With A on top, sew curved edge of B1 to top inner curved edge of A1. Clip inner curved edge of A1 and finger-press seam toward A.

2. Similarly, sew top inner curved edge of A2 to curved edge of B2, finger-pressing seam toward A.

3. Sew top inner curved edge of A3 to B3, clip seam allowance of A and finger-press seam toward A. Sew top inner curved edge of A4 to bottom curved edge of B4, finger-pressing seam toward A.

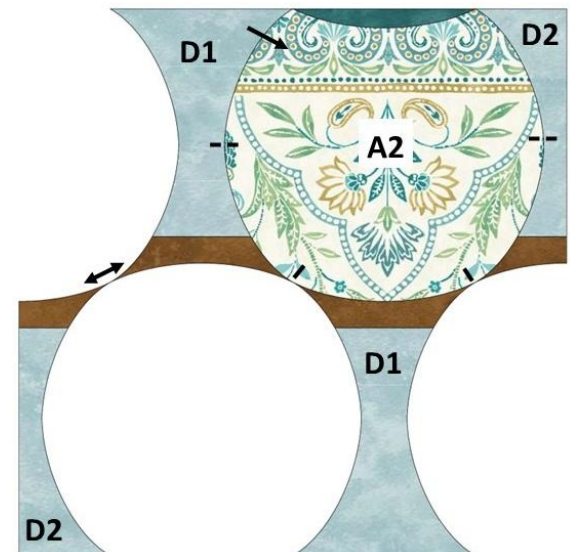

Make 2 of each

4. Sew straight edge of C1 to short straight edge of each D1; finger-press seam toward C. Repeat with C2 and D2 to make 2 of each unit.

5. Sew C1/D1 units to C2/D2 units at D ends, reinforcing seams; finger-press seams open (please note that pieces in diagrams do NOT include seam allowances – my diagram skills are limited 😊).

6. Matching dashes at mid-points and seams, sew C/D section to A edge of A2 unit, sewing with C/D on top. Finger-press seam toward A.

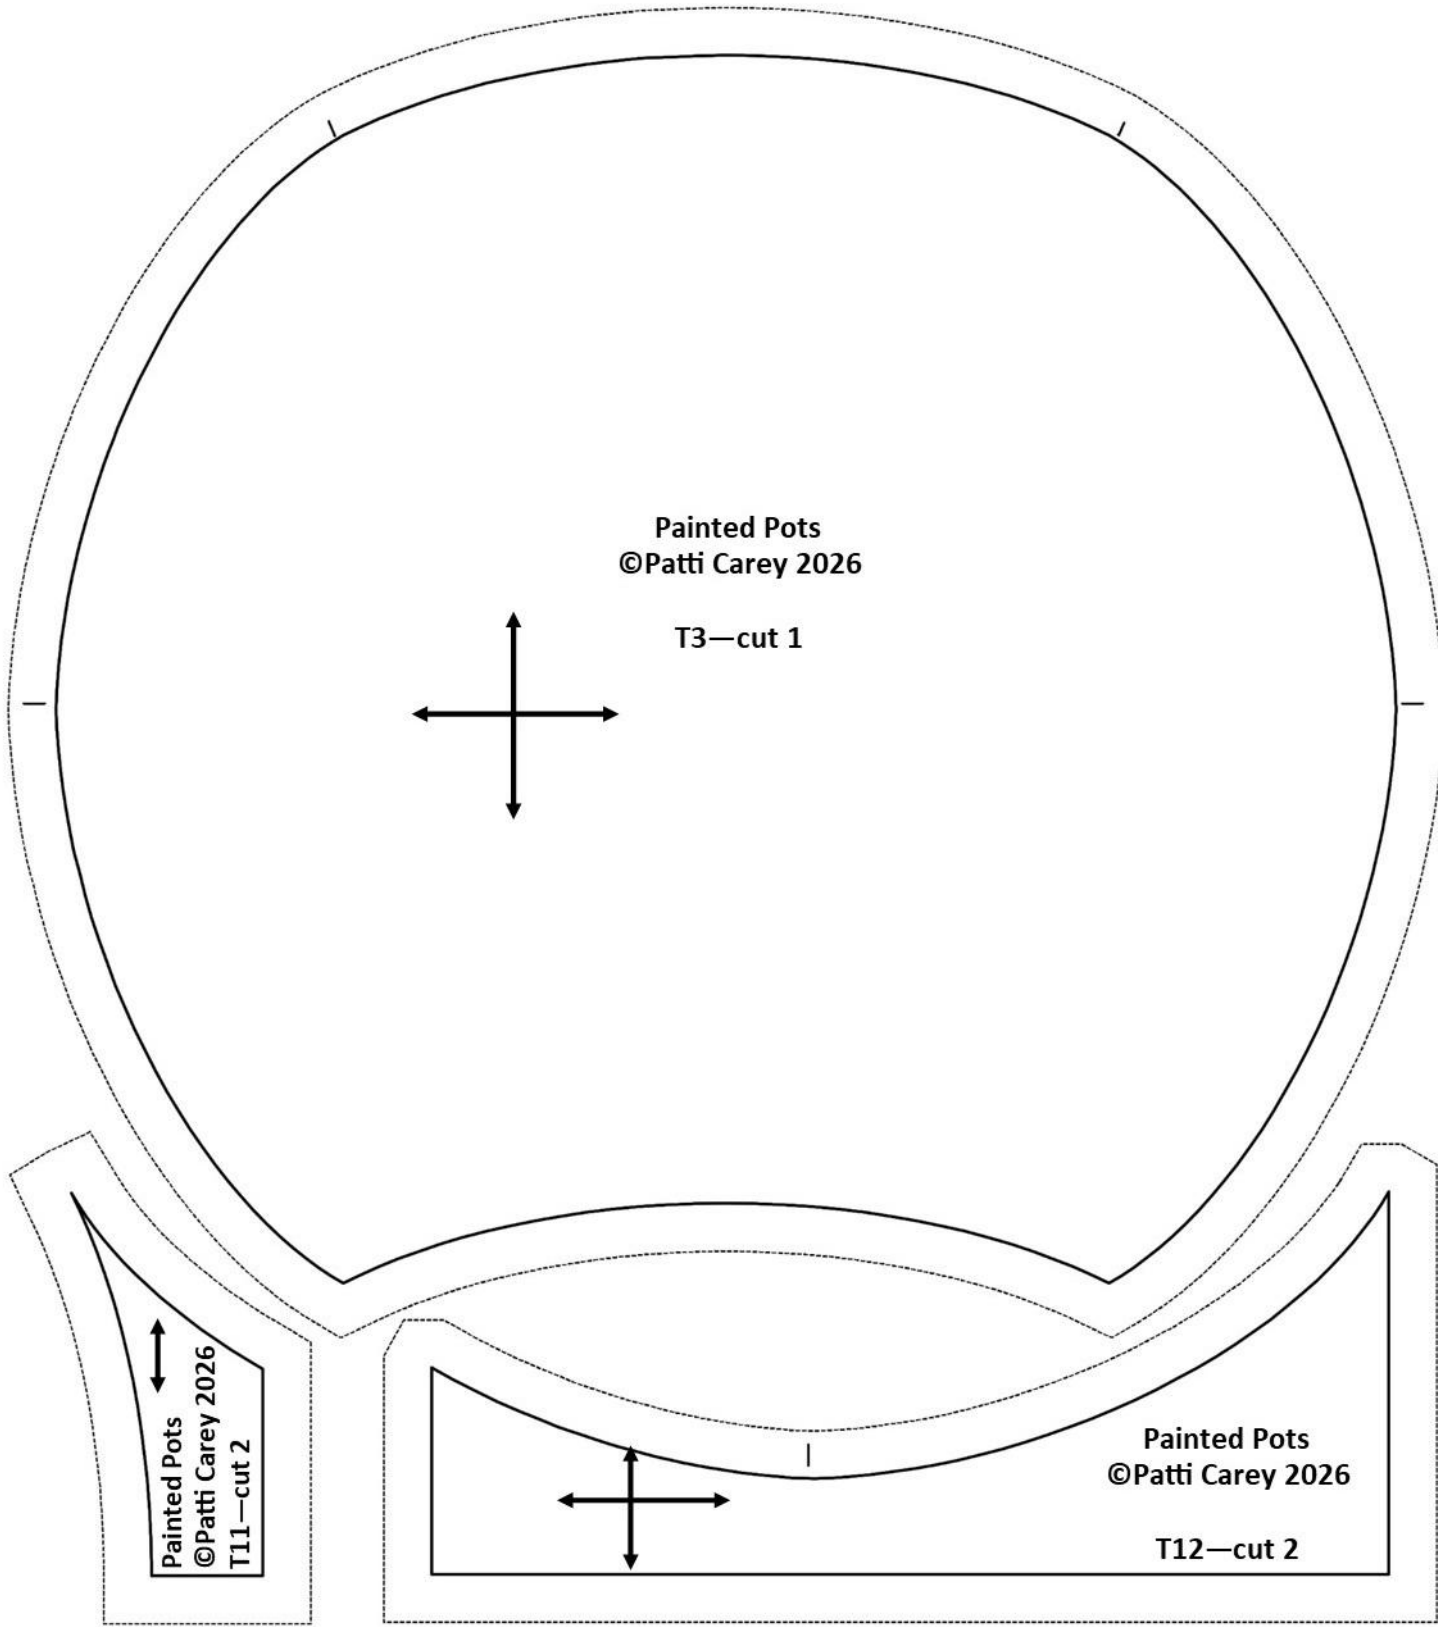

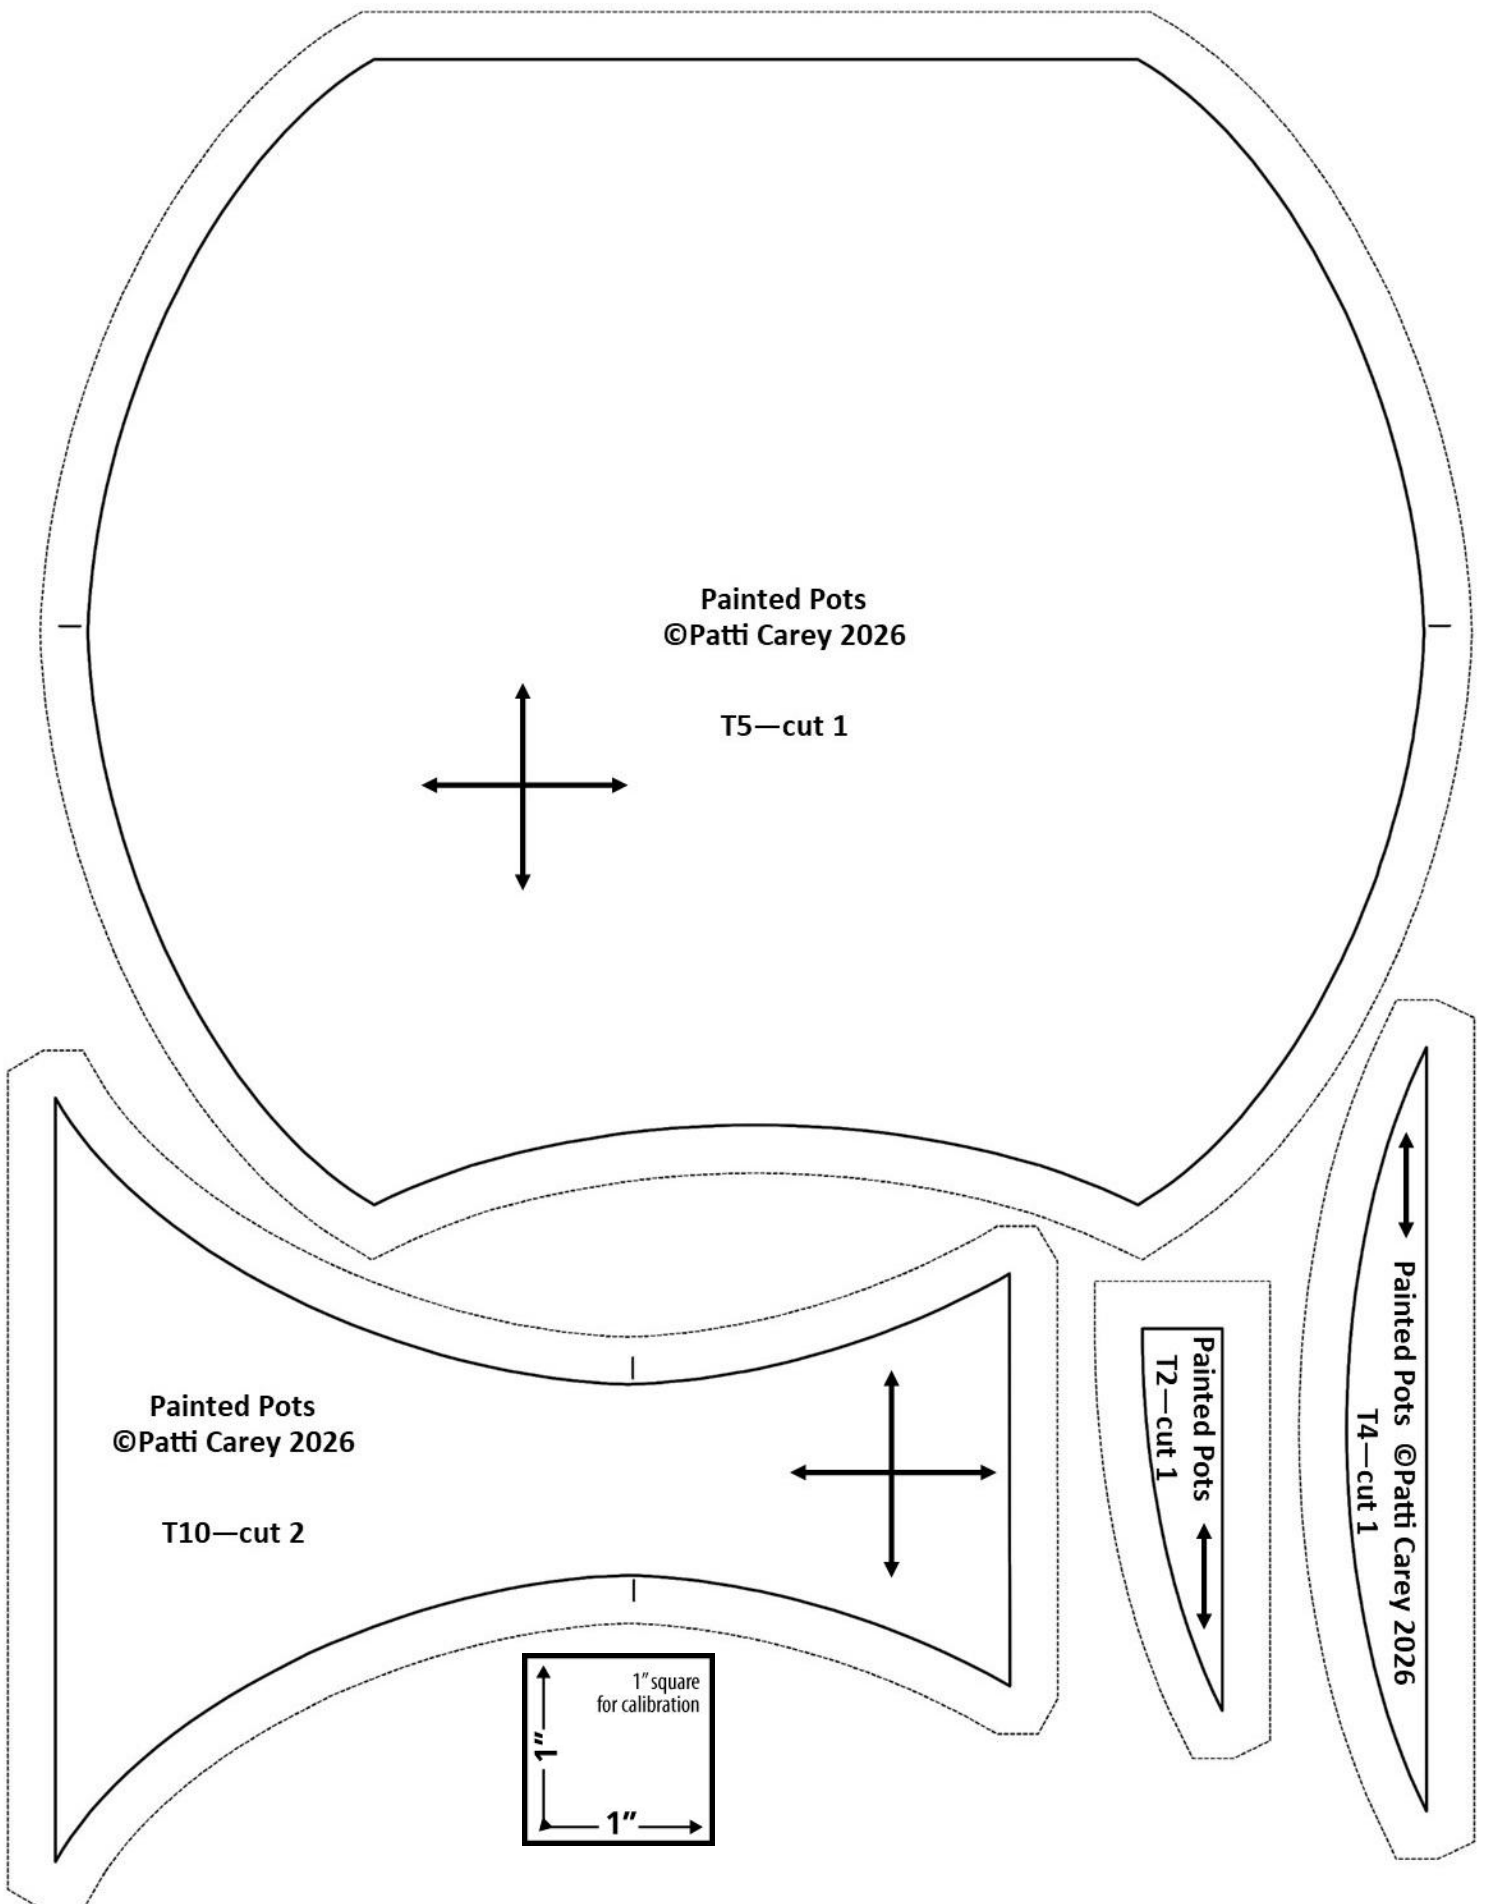

7. Similarly, sew C/D section to curved edge of A3 unit, sewing with C/D on top. Finger-press seam toward A.

8. Similarly, insert A1 unit in top left corner and A4 unit in bottom right corner, pressing seams toward A. Block should measure 12½" edge-to-edge.
